## Basestation Bytes | Winter 2024

Kia ora koutou,

Thank you for being part of our Basestation community. You have received this email because you are a past or present resident, you have used one of our spaces, or signed up to our newsletter via our reception kiosk or on our website.

We appreciate the contribution you have made to #BasestationLife and we celebrate that in 2024 as we head to towards our 10th birthday.

As this is our first email to our wider community in ten years, we'll take the opportunity to invite you to stay on our mailing list and keep up to date with what is happening at Basestation - we intend to send 'seasonal' newsletters so you won't be bombarded, you'll only get the good stuff. However, if you would prefer not to hear from us, please click on the link at the bottom of the page and there will be no hard feelings :-)

If you would like to know more about Basestation happenings, please read on.

Mā te wā,
